Concerning Sunday Services

Due to the recommendations nationally and locally the Session of Faith United Church has decided to strongly recommend everyone to join our worship from home. We have a live stream available on our website. www.faithunitedepc.org, We are also looking into having it live stream on our Facebook page.

Since we are going to be running the service for live streaming at the church, pastor and the praise team as well as a handful of others will be at the church on Sunday morning. We will not close the doors to people who make the choice to show up, but we will not have Fellowship Time, Nursery or KidConnect programming.

If you would like to give of your tithes and offerings, you can mail those into the church for now and next week we will provide more information on how to give through automatic giving and potentially through our website.

This was a tough decision for us to make. We want to protect the vulnerable of our community but also we know the importance of the people of God gathering for worship and finding faith, hope, and love in times of need.

Thanks for your patience during this time and please let us know if there is a need in your home or with your family. We still want to show up for each other. If you have any questions or want to discuss further please don't hesitate to call or email me.

God bless you and yours with extra grace and faith,
Pastor Tony Toth
