

# Reopening Children's Ministry

## Nursery/Toddler's

- We will practice social distancing with children that are immobile (with the exception of teachers holding infants as needed)
- Social distancing cannot be practiced with infants and toddlers that are mobile, however we will try to keep them spaced out as much as possible and keep them from sharing toys from mouth to mouth.
- All toys that were used need to be sanitized by the teachers after each class
- Changing table must be sanitized after each diaper change
- Teachers need to wash or sanitize hands after each diaper change and must enter the nursery/toddler room with clean hands
- Children must enter class with clean hands
- Masks are optional for teachers and students. Masks cannot be worn by anyone under 2.
- If your child has symptoms of illness such as fever of 101 or above within the last 24 hours, cough, runny nose, diarrhea, vomiting, or any other symptoms of illness that may be contagious they may not attend class.

## Kid Connect

- Since we have a small group social distancing will be practiced with our seating arrangement and all activities planned.
- With reopening we will stay in the large kid connect room where we can spread out. In the future we may break up into classrooms for small group activities when we see that as a viable addition to our programming.
- The Kid Connect area will be sanitized after class
- All Teachers and volunteers must enter class with clean hands
- Students need to wash or sanitize hands before entering
- Masks are optional for teachers and students
- Digital lessons will still be made available for those that are not comfortable or able to join us in class.
- If your child has symptoms of illness such as fever of 101 or above within the last 24 hours, cough, runny nose, diarrhea, vomiting, or any other symptoms of illness that may be contagious they may not attend class.

Kids of all ages are welcome to sit in service if parents are not comfortable sending their kids to class. Coloring/activity sheets will be available for kids attending service.
